**JUNE 4** 7: 15 AM - 11: 30 AM

### Tours of educational partners

An opportunity for personnel from Human Resources, Training and/or Operations to get a view of the facilities and equipment of our educational partners. [RRC - Stevenson Campus; Neeginan College; Tec Voc High School (AMMOP)]

11: 45 AM - 12: 30 PM

### Networking Lunch

12: 30 PM - 4: 15 PM

### Recruiting Strategies for Tomorrow's Workforce

(discussions on foreign recruitment strategies)

Three (3) Panels:

1. Canadian Companies experiences
2. Federal & Provincial Government Departments
3. Regulatory bodies (foreign credentials recognition)

Followed by group discussion on next steps.

4: 30 PM - 6: 30 PM

### Networking Reception

**JUNE 5** 8: 00 AM - 10: 00 AM

### RRC SMART Factory Tour

Inspired by General Electric's "Brilliant Factory" concept, RRC's SMART Factory is a hub of applied research, an experiential learning facility, and a technology demonstration site that has the capability to connect key equipment and hardware for an industry 4.0 type of application and to host industry development projects.

1: 00 PM - 4:30 PM

### CAA Forum on Women in Aviation & Aerospace

Meet with local stakeholders as part of a national conversation about increasing women's participation in the aviation & aerospace sector in Canada.

For registration, please contact Kethy Sosso-Kolle at [ksossokolle@avaerocouncil.ca](mailto:ksossokolle@avaerocouncil.ca) or (613) 727-8272 x261

**JUNE 6** 10: 00 AM - 11:30 AM

### Manitoba Aerospace AGM

Includes an update on Vision 2025

11: 45 AM - 12:30 PM

### Networking Lunch

12: 45 PM - 4:45 PM

### Economic Development Conference

Over the course of the conference, industry experts will cover forecasted trends in global aerospace growth and how those trends will impact our local industry.

1. Keynote: Mike Stenger, Senior Advisor, AeroDynamics Advisory
2. Panel discussion on local Manitoba economic development initiatives.

Followed by roundtable discussions on what local companies need to grow their businesses.

5: 00 PM - 6: 30 PM

### Networking Reception
