# AEROSPACE MANUFACTURING & MRO CONFERENCE

The Future is Now • May 2-3, 2023 | Winnipeg, Canada

## Plan to Join Us May 2-3, 2023 RBC Convention Centre, Winnipeg

### Register Now

Presented by Manitoba Aerospace in partnership with Aerospace Industries Association of Canada (AIAC), Ontario Aerospace Council (OAC), Aéro Montréal, and Atlantic Canada Aerospace & Defence Association (ACADA) the **Aerospace Manufacturing and MRO Conference – The Future is Now** will take place in Winnipeg on May 2 & 3 at the RBC Convention Centre.

This international event will provide an excellent information exchange and networking opportunities for owners, managers, engineers, marketing and human resources specialists in manufacturing, MRO, R&D, training and education environments. It is anticipated that registrants and program contributors will represent over 400 companies including large, medium and SMEs either directly or via Association representatives.

Hear from industry leaders on **key presentation themes** such as:

- State of Aerospace & Aviation Industries globally: what growth and challenges are ahead
- OEMs: Implications of investment in Canada
- Propulsion Systems and significance to MROs: Electrification | Sustainable Aviation Fuel | Hybrids
- State of Research, Technology and Innovation in Canada and globally
- Data Analytics, Predictive Operations and Maintenance
- Environmental Sustainability in Manufacturing and MRO
- Robotics and Automation
- Managing turbulence in your Supply Chain
- Workforce Recruitment Strategies
- + Many More!

**Register now and join us** to participate in discussions and business meetings with international experts and senior aerospace and MRO leaders as they explore business development and trade strategies to meet future challenges and opportunities.
